staff

Your event will be attended by one of our function staff members, who will meet and greet your guests upon arrival. They will show you to your area and organise stamps and wristbands to identify you as a party member. Most importantly, they will ensure your function runs in a professional manner, and your catering is served to your requirements.

The Universal Bar team is always focused on you, the patron. We will ensure your visit at our venue is as pleasant as it can be. We believe that it is not about serving you the most amazing drink (though we will do this also!), but about the way it is presented and served that will add to your experience.

We would like to thank you again for considering Universal Bar for your function. If we can be of any assistance at any stage of the planning process, please do not hesitate to contact us.

Kind regards,
